Key Messages for Oregon CZARA Discussion with State 040913.doc

Alan's comments. You may get comments directly from Christine Psyk. Before our meeting, I integrated Don's comments into your revised versions so both of them may have used that version which is attached.

Would like you to review the key messages and talking points at the April 17<sup>th</sup> meeting. I'll call you next week....

Jayne,

Attached are my comments on the draft Key messages. Please feel free to distribute them to the group if you feel they are on target.
